Karen, as we discussed, here is Catherine's redline -- you will see that the changes are only as we discussed -- language pertaining to the "lead agency." and the idea would be to insert this language in Michigan as well, and potentially Kansas -- so there would be uniformity on this point. I don't know if Illinois has been given an opportunity to review the language yet or not, but I am told they are ok with the concept. There are also redlines in the exhibit b to make it consistent with the work discussed in our settlement negotiations.

Elise.
